# Lemi Altissimo

The Altissimo by LEMI USA provides optimum functionality and versatility. With a wide range of working heights (19" to 40"), the chair allows for easy patient/client access and also ensures the physician/therapist the most comfortable working position either standing or seated.

The leg supports of the Altissimo are independently adjustable for height and position and the base offers unparalleled support and stability, along with 90-degree rotation.

The height adjustment, back rest, and tilt functions are electrically controlled with an easy to use foot pedal.

The Altissimo is constructed with a comfortable, anatomically contoured mattress made of durable, UV resistant, and anti-microbial upholstery.

- Wide Range of Working Heights (19"-40")
- Electric Height Adjustment
- Electric Back Rest Adjustment
- Electric Tilt Function
- Multi-Position Leg Rest Adjustment

- 90 Degree Rotation
- Comfortable and Durable Anatomic Mattress
- Anti-Microbial Upholstery
- Extensive Color Choices Available

**Warranty:** 3 Years Parts and Labor (excluding upholstery)
