External: 18" W x 12.25" D x 11 H
Internal: 14.25" W x 8.25" D x 6.75 H

#920-18
Large Cabi

Dimensions:
External: 18" W x 15.25" D x 16.5 H
Internal: 14" W x 12.25" D x 12.25 H

Wax Melters

#921-12 - Mono

Maximize treatment time and avoid downtime with these exceptional mono and duo wax melters. Teflon-coated, they promote easier cleaning and include a built-in thermostat for heat and temperature control.

#921-13 - Duo

The duo wax melter offers the additional convenience of two wells and thermostats, enabling the therapist to prepare two wax products at different temperatures. Each well features a 1" ledge for maximum protection from spills and debris.

Magnifying Lamp

#914-18

Featuring 5 Diopter Magnification and Multi-Position Adjustment, this high-quality magnifying lamp facilitates effective skin analysis.

Body Mask Warmer

#915-26

An ideal tool to ensure a successful and timely body wrap. This teflon-coated mask warmer promotes easy cleaning, while the built-in thermostat offers precise heat and temperature control. Can be used for all body wraps.
